

» Physics of Information Colloquium «  
Jointly with the Quantum Computation and Information Seminar

# *Latest Developments at the Google Quantum Artificial Intelligence Lab*

**Hartmut Neven**  
(Google Inc.)

**Date and time:** Tuesday 10 May 2016, at 14:00

**Location:** Abreu Faro Amphitheatre,  
Interdisciplinary Building, IST, Lisbon

*Organized by:*

- *Doctoral Programme in the Physics and Mathematics of Information:  
Foundations of Future Information Technologies (DP-PMI)*
  - *Physics of Information and Quantum Technologies Group,  
Instituto de Telecomunicações*

Doctoral Programme in the  
**Physics and Mathematics of Information**  
[www.dp-pmi.org](http://www.dp-pmi.org)

*Supported by: Funda  o para a Ci ncia e a Tecnologia  
(PD/00204/2012 and UID/EEA/50008/2013).*
